MERIDIAN IN FINE FETTLE

R. F. CARMAN'S KENTUCKY DERBY WINNER TAKES HANDICAP AT LATONIA.

Track Still in Poor Condition and One Race is De clared Off-Weights Announced for the Latonia Endurance Stakes.

Cincinnati, O., November 8 .- Today's racing offer Cincinnati, O., November 8.—Today's racing offering at Latonia, considering the poor track conditions, was excellent and attracted a large attendance. The weather was again bleak and threatening. Speculation picked up considerably over former days this week and backers of favorites again suffered, as only one first choice, Meridian, rewarded them. The original second race was declared off and a dash at six funlences exhetituted with Eart Royal Canada and the condition of the co The original second race was declared off and a dash at six furlongs substituted, with Font, Royal Captive, Amoret and Winning Widow as the contestants. Royal Captive and Amoret were named in the original race, but both dodged the issue with Merrick. Winning Widow was supposed to have conditions to her order, and invited strong backing, but her supporters were a chagrined lot when she trailed the others home, the purse going to Font, with Royal Captive in second place. The talent began to get their joits in the opener when Brig led home the odds-on Rose of Jeddah. E. R. Bradley again neglected the opportunity for a good winning on his filly.

Meridian was much the best in the handicap and

Meridian was much the best in the handicap and came away in fine style after trailing Grover Hughes under restraint to the stretch turn. Cherry-ola closed a tremendous gap to take second place and after the finish worked out to the nile and an eighth in preparation for her Latonia Endurance Stakes engagement next Saturday.

In the fifth race Manager Mack proved a surprise, getting up in the last stride to nose out Froglegs on the post. The Schorr coit was best, but Faln's overconfidence cost him the purse. Kaiser, after showing good speed, weakened, but held True Blue safe for third place.

John Reardon made partial amends for Froglegs' defeat by getting a close decision over G. M. Miller in the closing race, with Tay Pay third. The latter, as usual trailed far out of it until the stretch was reached, then came with a cyclonic rush. The Hyams-Joplin combination broke a long losing streak when Swarf's Hill showed the way home from a bad lot in the third race and just lasted to beat Nan Ferguson.

when Swart's Hill showed the way home from a bad lot in the third race and just lasted to beat Nan Ferguson.

Weights were announced today for the Latonia Endurance Stakes, to be run on Saturday next, and Secretary Maginn's allotment to the different candidates generally meets with favor. Thirty-seven are eligible to start, but the field will be likely made up of the following: High Private, 121; Meridian, 116; Countless, 114; Governor Gray, 114; Cherryola, 111; Star Charter, 108; John Furlong, 105; Stone Street. 105; Messenger Boy, 103; Azo, 102; Any Port, 101, and Mockler, 95. Winners after today will be penalized five pounds.

Governor Gray worked an easy mile and a half between races this afternoon in 2:42\(\frac{2}{3}\).

Jockey J. Cook was suspended for the remainder of the meeting by the starter.

The report of a suspension against T. Koerner was incorrect, the assistant starter making the mistake of reporting it to the clerk of the scales.

The two-horse combination, consisting of Brig and Font, paid \(\frac{2}{3}\) 163.40 for \(\frac{2}{3}\)2. The three-horse combination went to the field backers.

Dr. Talbott's injuries are not as severe as at first expected, a broken nose being the most serious.

Arrangements by Eugene Elrod and W. W. Lyles for special trains to New Orleans and Juarez are steadily going on, and both will carry big consignments.

Eugene Elrod, in charge of the Juarez special, is

Eugene Elrod, in charge of the Juarez special, is faily in receipt of inquiries from horsemen at distant points who intend shipping on the special train that will leave for the Mexican track next Monday. F. H. McKinnie, of Pittsburgh, advises that he will ship six horses. A number of horses that raced at Laurel will also be sent here to board the special. The rate for carload is \$370, making the charge for one horse \$37. The passenger rate is \$32.30, about \$12 less than the regular rate. It has been decided to run three Pullman cars to accommodate the large number of persons who have decided to go on the train.

MUD RUNNERS SCORE AT MARLBORO.

Washington, D. C., November 8.—While the track at Mariboro had dried out considerably over night, it remained heavy several feet from the rail and the rest of the course was in slow condition, so that the mud runners were again conspicuous. The sport was the best of the meeting, as every race was well contested and there were many close finishes.

W. B. Carson won his first race with Republicant today. The colt just did manage to get up in time to nose out Feramorz and Troxler came near tossing the purse away by taking things too easy in the last sixteenth.

sixtéenth.

The Steeplechase Handicap was a good race all the way and Gun Cotton, the favorite, won the race easily. There were several mishaps in the race. Helen B. ran out of the course, O. K. refused, and The Speaker lost his rider.

Troxler rode two winners, Joe Rose and Republi-

Clement, who had the mount on Lesbos, in the third race, was suspended for two days by the judges for rough riding.

The backers of favorites again fared badly, as Republican and Gun Cotton were the only successful choices.

NORFOLK TRACK SOMEWHAT IMPROVED.

Mud Runners Still Have the Call, However-Attendance Marks Ladies' Day.

Norfolk, Va., November S.—A ladies' day program attracted a large crowd to the Jamestown Jockey Club's track this afternoon. The big grandstand was filled to overflowing and the male patrons of the sport were forced to accommodate themselves on the lawns. While the track was still heavy in spots, the going was much improved as compared with the previous day. Mad runners, however, had a decided advantage and the layers took no chances with horses that had previously shown a disposition to run well over the sort of a track that prevailed today. All of the winners were well backed, even Husky Lad finding strong support in certain quarters. The latter's victory, which came with the running of the Fairfax Hotel Handicap, a dash of one mile, caused some surprise after his recent sorry showing. Bob R. was an even money favorite for the race and undoubtedly would have won but for being carried wide by the winner as they made the turn into the homestretch. There were many who looked for official action in the matter and some thought that a disqualification would result. The stewards, however, allowed the placing to stand as the horses finished. The heavy going probably had something to do with their decision, as many jockeys swing wide on the stretch turn today in an effort to get the best footing.

Sherwood's victory was something of a fluke, although he may have been the best horse in the race. He was behind the leaders in rounding the far turn with no chance of getting through. Bytne, on Pennyroyal, went wide in making the last turn and carried Double Five and Thrifty out with him. This left a big gap close to the rail, which Guy Burns was quick to take advantage of and he rushed Sherwood past the leaders and drew away into an easy lead at the finish. The latter fenced in a bold and resolute manner, and in the homestretch drew away to beat the favorite, Vilhaila, a length. The big operators selected Mon Ami as the best betting proposition of the day and they unloaded on Captain Walker's sprinter to such an extent tha

their strings on Saturday, arriving here the following day.

The stake blanks for the Charleston Fair and Racing Association's meeting are expected to arrive within the next few days.

Joseph McLennan, who will act as secretary at Almandares the coming winter, is also busy. He has compiled the conditions for the first week's book and they are now in the hands of the printers. It looks as if there would be about an equal division of the horsemen racing here between these two points, but at best neither place will be overcrowded.

NO DIVISION OF DATES.

Manager F. J. Pons Denies That Negotiations Are in Progress with Havana Management.

Progress with Havana Management.

Cincinnati, O., November S.—Francis J. Pons, general manager of the Charleston, S. C., track, arrived today at Latonia today and distributed stake blanks among the horsemen for the twenty stakes listed to be run at the new track. Mr. Pons met with wholesome encouragement from owners and apparently will not lack for horses when he opens the plant. He announced that everything is moving smoothly in the matter of construction of the plant and that with favorable weather, it will be in thorough readiness for the opening date, January 10. At present, attention is mostly centered in the building of the track proper and rue stables. Forty-five teams are employed in levelling the surface, while a large force of workmen are engaged in erecting stables. It is expected that at least 300 stalls will be available for occupancy by December 1 and 500 more by January 1. The influx of horsemen is not expected to begin in earnest until the middle of December and ample stabling will then be available. Referring to rumors of a division of dates with Havana, ar. Pons said: "I know nothing regarding a division of racing dates with Havana and have never given the matter consideration, as I have no dates to divide. I announced our opening for January 10 and aim to keep faith with the horsemen. We will begin on the date announced. There are plenty of horses for all the tracks that will be in operation this winter and I seen no reason for attermition to force horsemen to one track. We shall accord fair treatment to all who race with us and show partiality to none. Everything will be conducted above board in a clean and wholesome manner. We are trying to secure the best officials obtainable and in this connection Judge Rees is a possibility as the presiding official. We will spare no effort to get his consent to serve. The citizens of Charleston are with us in our undertaking and over fifty per cent, of the stock in the association is held by representative residents of the city. We expect a banner seaso

AMERICANS WELCOME ON ENGLISH TURF.

AMERICANS WELCOME ON ENGLISH TURF.

With the arrival of Harry Payne Whitney's yearlings at his English racing establishment last week,
the lot including some of those recently sold to him
by James R. Keene, and the prospective departure
of the horses S. C. Hildreth has sold to Charles
Kohler to be raced in England next year, interest
in American turfmen on the other side of the Atlantic naturally increases.—Mr. Whitney will have
more than seventy horses in training under the care
of Jack Joyner next season, while the stables of Mr.
Keene and August Belmont also will be increased.
With W. K. Vanderbilt, Frank Gould, H. B. Duryea and other prominent Americans racing, as usual,
in France next year, it is believed that Americanbred horses will gain more distinction on the English
and French race courses than ever before. One of
the London turf papers printed the following recently
concerning American progress in British racing:
"When the English turf season's record is compiled for 1911 it will be found that American-owned
and American-bred horses have fared better this
year than ever before. With almost each succeeding
day the amount to the credit of the American owners
is increased, while not infrequently, as was the case
at Newmarket on Cambridgeshire day, Americanbred horses finish in front in two of the races on
the day's card.

"In the Nursery Plate, an event worth \$2,500

The Neymarket of Cambridgeshire day, American-bred horses finish in front in two of the races on the day's card.

"In the Nursery Plate, an event worth \$2,500 to the winner, J. R. Keene's Outram was first, while the familiar colors of Harry Payne Whitney flashed past the post in second place. Later in the afternoon Mr. Whitney's Bashti ran a dead heat with Marajax, the purse being divided. A few days ago, the afternoon that the Duke of York Stakes was run off, August Belmont's Toggery won the was run off, August Belmont's Toggery won the Kempton Park Nursery, worth \$4,000, while in an-

other race the American-bred filly, Meddling, won a good two-year-old race.

"It must be admitted that in the big races of the season in which Americans were entered, there were more failures than successes, but the number of fairly important races that have gone the way of Americans has occasioned no little comment all along the line. Nearly all of the prominent American owners who have racing stables here have been in England for a part of the season at least, but just at present it so happens that all of them are in the United States.

"As the American laws have killed the sport on the other side, we hear that other prominent turfmen, including Hildreth, developer of the great Fitz Herbert, and Madden, who sold Sir Martin to Mr. Whitney, will have one of the biggest stables on the English turf and we hope that he will enjoy greater success than ever.

"The English turf has the friendliest of feelings for Mr. Whitney, Mr. Keene and Mr. Belmont, who have spent fortunes in breeding and racing some of the best thoroughbreds in the world. The invasion of American-bred horses has increased interest in racing here to a remarkate agerge. American training methods as exploited by Joyner and American horsemanship as shown by Maher have established a standard, the merit of which is generally recognized and commended."

SHOWS DEPLORABLE CONDITION ACCURATELY.

NATIONAL BREEDING BUREAU AT WORK.

Important Task of Improving Army Horses Taker Up by Government in Earnest.

New York, November 8.—Footprint and Vestibule, sons of Rock Sand, presented by August Belmont to the War Department for breeding purposes, law been shipped from Belmont Park to Front Royal, where shipped from Belmont Park to Front Royal, which was a proper to the shipment. The horses destined to improve the breed of military horses were quite tractable when loaded into the big private horse car. They have been candidaway under way at Baltimore and on the Canadian courses, consequently their experience was nothing new, and both walked into the stalls as quietly as if being ield into their regular stable quarters.

It was Mr. Belmont's intention to dona't be finally decided upon Westibule. The chairman of the Jockey Club has taken a decided interest in the project, and as Vestibule possesses supprior qualities that point to a successful career in the stud, he became the selection. Tances into consideration, Vestibule is the better of the pair. It would indeed be difficult to produce a better type for this particular object. Dr. Hollingsworth, who is attached to the remount depot at Front Royal, was deeply impressed with Footprin and triviate enclosure prior to their departure for their new home.

DETAILS OF COLUMBIA MEETING.

Washington, D. C., November 8.—Plans for the proposed meeting at Columbia, S. C., under the management of Arthur N. Eirod, are maturing. The meeting will be given over the mile track of the

South Carolina State Fair Association, which is well equipped for the purpose. It is a course with good turns and wide stretches. The grandstand is of the same capacity as that at Jamestown. There are 350 stalls now ready for horses and the management is preparing to build 300 additional. The purses will be liberal and as there will be no stakes a sufficient number of over-night handicaps will be provided to replace them.

Racing will begin Thanksgiving Day and continue for thirty-three days, or until January 6, which is just before the opening of the Charleston meeting. The ring, which will be an open one, will be run on the old New York system. The management of the Columbia meeting has selected James Milton to do the starting and Hart Dernham will be the racing secretary.
